Meetings are generally held on a monthly basis which may include special Board committee meetings when necessary. The Board committee secretariats are responsible for ensuring that the regular agenda of the meetings and resource persons are informed and provided with committee materials prior to meetings. The committee secretariat prepares the minutes of the committee meetings for endorsement and confirmation of the PNB Board and records the attendance of the committee members.

The Independent Directors are appointed Chairman of the oversight control committees namely, the Board Corporate Governance/Nomination/Remuneration Committee, Board Audit and Compliance Committee, Board Risk Oversight Committee, and Board Oversight RPT Committee.

Related Party Transaction (RPT)

In 2016, the Bank focused on the sustainability of the existing related party transaction policies and procedures. The policies were enhanced to align its provisions with the new BSP Circular on RPT, the principles of the ASEAN Corporate Governance Scorecard (ACGS), and with Basel III guidelines on good corporate governance. The expanded RPT policies covered the (i) oversight functions of the Board and the Board Oversight RPT Committee (BORC) while implementation by the Senior Management was reflected in the revisions made on procedures in the Operations Manuals, (ii) development of the RPT database system, (iii) enhancement in the review and audit programs conducted by the independent teams comprised of the Internal Audit Group and Global Compliance Group; and (iv) the external auditors and examinations performed by regulatory bodies.

Conflict of interests that may arise to related parties of the bank are managed through a Board approved enterprise-wide RPT Policy Framework. The Board Oversight RPT Committee (BORC) was created to assist the Board in performing its oversight functions in monitoring and managing potential conflicts of interest, to ensure that exposures to related parties are made on an arm's length basis, are effectively monitored, appropriate steps are taken to control or mitigate the risks and write-offs of such exposures are made according to standard policies and processes.

The key elements of the RPT Policy Framework include the Board and Senior Management oversight, policies and procedures, training, monitoring and assessment, and disclosures/reports. The RPT guidelines cover a wide range of transactions that could pose credit risk, counterparty risk, material risk and potential abuse to the Bank and its stakeholders. The Bank ensures that individual and aggregate exposures to related parties are within prudent levels consistent with existing prudential limits and internal limits, monitored through independent reviews by Internal Audit and Global Compliance Groups, covered in disclosures and/or reporting requirements. There is sustained awareness of the RPT Policy Framework through RPT Framework Training Programs conducted by the Bank. The members of the Board, stockholders, and Management shall disclose to the Board whether they directly, indirectly or on behalf of third parties, have a financial interest in any transaction or matters affecting the Bank. Directors and officers involved in possible conflict of interest shall disassociate themselves from the decision making process and abstain in the discussion, approval and management of such transactions or matters affecting the Bank. The Board Oversight RPT Committee may inform the Corporate Governance/Nomination/Remuneration Committee of the directors/officers' actual/potential conflicts of interest with the Bank, as necessary.

The Bank strictly applies the arm's length policy in the management of RPTs. The following critical factors are to be considered in the evaluation (a) the related party's relationship to the Bank and interest in the transaction, (b) the material facts of the proposed RPT, including the proposed aggregate value of such transactions, (c) the benefits to the Bank of the proposed RPT, (d) the availability of other sources of comparable products or services, and (e) the assessment of whether the proposed RPT is on the terms and conditions that are comparable to the terms generally available to an unrelated party under similar circumstances

Board Oversight RPT Committee (BORC)

The BORC was created in September 2013. The authorities and responsibilities of the BORC are governed by a Charter to assist the Board in performing its oversight functions in monitoring and managing potential conflicts of interest of stockholders, Board members, Management, and other stakeholders. The Committee is composed of five (5) regular members, including three (3) Independent Directors (IDs); and two (2) non-voting members, the Chief Audit Executive (CAE), and the Chief Compliance Officer (CCO). The CCO is designated as Secretariat of the Committee.

The BORC has the authority to evaluate RPT. In conformity with Bank's policy, RPT dealings should be treated in the regular course of business on arm's length basis. This means that the RPTs are not

undertaken on more favorable economic terms to such related parties than similar transactions with non-related parties under similar circumstances. No corporate or business resources of the Bank are to be misappropriated or misapplied and sound judgment is to be exercised for the best interest of the Bank. Material RPTs are to be reviewed and endorsed to the Board for approval/notation by the BORC.

The duties and responsibilities of the BORC include: (i) reviewing and approving RPT policy guidelines; (ii) evaluating on an ongoing basis existing relations between and among businesses and counterparties; (iii) evaluating material RPTs; (iv) ensuring that appropriate disclosures are made; (v) endorsing to the Board (vi) reporting to the Board the status and aggregate exposures to related parties; (vii) ensuring that RPTs, including write-off of exposures are subject to independent reviews; and (viii) overseeing implementation of the system for identifying, monitoring, measuring, controlling and reporting RPTs, including the periodic review of RPT policies and procedures.

The RPT policy has been formulated and adopted in accordance with the provisions of the SEC Code of Corporate Governance and BSP regulations, including the PNB Code of Conduct and Business Ethics. to wit:

- Code of Conduct – it prescribes the moral code for PNB employees. The Code of Conduct instills discipline and yields higher productivity at the workplace and enhances and safeguards the corporate image of the Bank. Its overall intent is more for the prevention of the infraction rather than the administration of disciplinary measures. It also defines and provides the standards of conduct expected of all employees and enumerates the actions or omissions prejudicial to the interest of the Bank. All employees are required to certify that they have been furnished with a copy of the PNB Code of Conduct and further certify that they have read and thoroughly understood the provisions thereof, agree to be bound by the said policy, and fully aware that a violation of the Code will subject them to disciplinary action.
- Whistleblower Policy – This policy encourages the Bank employees and third parties to report any suspected or actual commission of theft/fraud, violation of ethical standard, law, rule or regulation and/or any misconduct by its directors, officers or staff in accordance with the Whistleblower Policy. It protects the employee/whistleblower against retaliation, discrimination, harassment or adverse personnel action, for reporting in good faith a suspected or actual violation.
- Soliciting and/or Receiving Gifts Policy – All PNB employees are expected to observe discretion and prudence in receiving gifts or donations, whether in cash or in kind, and other form of hospitality. Soliciting gifts/donations/sponsorship from clients, suppliers, and other business related parties is strictly prohibited. Employees, however, may be allowed to receive gifts/donations/sponsorship/financial assistance from clients, suppliers, and other business related parties, provided that said gifts/donations/sponsorships worth Two Thousand Pesos (PhP2,000.00) and above must be reported to the Human Resource Group (HRG), declaring the value, the giver and action taken. On the other hand, gifts with estimated value of more than Five Thousand Pesos (PhP5,000.00) shall likewise be reported and turned-over to the HRG for donation to any legitimate charitable institution preferred by the concerned employee.
- Personal Investment Policy – The policy set forth prudent standards of behavior for all employees when conducting their personal investment transactions. It provides minimum standards and specifies investment practices which are either prohibited or subject to special constraints. The employees may make investments for their personal accounts as long as these transactions are consistent with laws and regulations, and the personal investment policy of the Bank. These investments should not appear to involve a conflict of interest with the activities of the Bank or its customers. Employee investment decisions must be based solely on publicly available information and should be oriented toward long term investment rather than short term speculation. As a general policy, all employees are prohibited from purchasing or selling any PNB securities if they possess material non-public information about PNB that, if known by the public, might influence the price of PNB securities. Employees may not purchase or sell PNB options or execute a short sale of PNB security unless the transaction is effected as a bona-fide hedge.

The Corporate Governance Framework and RPT Framework are integral in the Bank's Compliance Awareness Training Program conducted regularly by the Global Compliance Group. Sustained awareness

of group-wide personnel, as well as other stakeholders on good corporate governance and RPT compliance include posting of Corporate Governance manuals and RPT policies and procedures in the PNB website.

Operations Management

The day-to-day operations of the Bank and the implementation of the major business plans are under the responsibility of the President and the Chief Executive Officer. Critical issues, policies and guidelines are deliberated in the following major Management committees: Senior Management Team, Asset & Liability Committee, Acquired Asset Disposal Committee (AADC), Operations Committee, Product Committee, IT Management Committee, Procurement Committee, Promotion Committee, Ethical Standards Committee, PNB Succession Management Program-Talent Board, Senior Management Credit Committee, Philippine AML Review Committee and Occupational Safety, Health and Family Welfare Committee. Committee meetings are conducted in a manner that ensures open communication, meaningful participation and timely resolution of issues.

As part of the strong culture of accountability and transparency in the organization, the business plans, significant issues and its resolutions are escalated to the level of the Board by the Management committees. Majority of the Management committees has the President as the Chairman with the members comprised of Senior Management of the Bank and key officers of the various business segments, the Risk Management Group, Office of the Chief Legal Counsel, Internal Audit Group and Global Compliance Group. Periodical assessments are made to the composition and appointment of the senior officers in the different Management committees and may be reorganized according to the priorities set by the Bank.

Compliance System

The Bank has a well-defined organizational structure, updated policies and procedures, and an effective compliance program to reinforce a compliance system that fully adheres to banking laws and regulations. The Compliance Programs of PNB intends to promote safe and sound operations. In the process, the execution of the Compliance Programs is in support for the sustainability of an environment influenced by high corporate standards and best practices of good corporate governance.

The CCO, head of the Global Compliance Group, directly reports to the Board Audit and Compliance Committee. The CCO has direct responsibility for the effective implementation and management of the enterprise compliance system for the Bank, its subsidiaries and affiliates. The CCO is also primarily responsible for promoting compliance with the laws and regulations of the different jurisdictions, corporate policies and procedures and international standards and best practices. The CCO has been appointed by the Board of Directors as the Corporate Governance Executive tasked to assist the Board and the Corporate Governance/Nomination/Remuneration Committee in the discharge of their corporate governance oversight functions.

PNB'S various Compliance Frameworks are carried out by the Global Compliance Group through the five (5) major divisions, namely, Global AML Compliance Division, Regulatory Compliance Division, Business Vehicle Management Compliance Division, Compliance Testing and Review Division and Corporate Governance Monitoring Division. The latter provides direct support to the Board Audit and Compliance Committee, Corporate Governance/Nomination/Remuneration Committee and the BORC on corporate governance matters.

The Bank's existing Compliance Program clearly defines the eight (8) key elements of an effective compliance framework, with proactive Board and executive level oversight, effective compliance organizational structure, standardized policies and procedures across all businesses, periodic monitoring and assessment, robust MIS and compliance reporting, comprehensive compliance and AML awareness training, independent compliance testing reviews and sustained good working relationships with regulators. The Compliance Program for 2016-2017 incorporated new rules and regulations from various domestic and foreign regulatory bodies. Cognizant of rising concern on cybercrime related risks in the banking industry worldwide, an AML Cybercrime Officer was appointed in Global Compliance Group. The Compliance Programs of PNB remains effectively implemented across businesses.

The major Compliance Manuals include the Bank's AML/CFT Policy Guidelines, Money Laundering and Terrorist Financing Prevention Manual, FATCA Compliance Manual, and Remittance Third Party Arrangement Compliance Program. These compliance manuals were approved by the Board and implemented with updated policies and procedures to fully address in a timely manner recent developments and issuances by regulatory bodies.

With a comprehensive compliance system consistently implemented enterprise-wide and an effective compliance framework for PNB, no material deviation has been noted.
